

**CITY OF LAGUNA WOODS
MEMBER OF THE CITY COUNCIL**

MILTON W. ROBBINS

AGE: 83

OCCUPATION: Retired CPA

I am a graduate of the Wharton School of Finance of the University of Pennsylvania and I am a WWII Veteran.

Three Years on the Third Mutual Board and three years on GRF, one as Treasurer and two as President offered great insight into the problems of an aging community. One must recognize that there are limitations of our city government to deal with private property interests, nevertheless all avenues must be explored to meet our citizens' needs in addition to those already being met.

Before moving to Leisure World 14 years ago, my prior municipal experience was 15 years as Chairman of a Rent Stabilization Board under very strict Sunshine Laws which demanded open discussion and decisions.

I also served for 5 years on the State Tax Committee of the NJSCPA, meeting with state government officials on interpretations and changes in tax laws of the state of New Jersey.

Currently, I am serving as a member of the City of Laguna Woods Planning Committee.
